6. PRESIDENT'S REPORT

It is extremely unfortunate that we have another club, DENISTONE EAST B.C. that is finding continuing extremely difficult. This has been precipitated by a number of their bowlers moving to other clubs, this in turn, has led to a decision to withdraw from next year's Pennants. The last information I had was the Club would try and continue, playing social bowls one day a week. To the Committee and President Kevin Gleeson I would like to wish them all the best, in their endeavours to keep the Club going.

There have been a couple of representative fixtures played in the past couple of weeks. Our Under 25's and some juniors travelled to Newcastle to play at Beresfield and our Development Squad played against Zone 9 at Pennant Hills. Results of these games can be found in the Selectors Report.

At the risk of repeating what I have talked about, the Mixed Pennants has been an unqualified success. The timing, length of games and format appears to suit all the clubs and participants. There were a few comments given to me, regarding the scoring, and these comments have been passed on to the Match Committee for next year. There has been a terrific little story to emerge from the Mixed Pennants, is that the ladies participating from one club playing in our competition, said this is the only Competition they get to participate in, as their club does not have enough players to field sides in the Ladies Pennants. We are delighted to give them the opportunity and congratulations should go to their club also, for entering a team to also give them the competition.

At the time of writing I have not heard of any more information regarding the new Constitution. We may hear more from our State Councillor at the December Management Meeting.

I would like to take this opportunity to wish my colleagues, delegates and all club members Compliments of the Season.

All the best for a Merry Christmas and a Happy New Year.

I look forward to catching up again in 2012.

Gary MacAndrew

10. STATE COUNCILLOR'S REPORT

The new constitution will be voted on 15th December. In the light of no communications received from the clubs in Zone 10 the executive have decided to vote in the affirmative.

I would like to thank Toongabbie for helping the RNSWBA, at late notice taking on the Hosting of the AER Mixed tournament.

The Chairman of the SMC John Smith advised that he has been asked about players changing grading during the current season.

- The simple answer is that players establish a current season grading by playing either 4 matches or 50% of matches (whichever is lower) in a grade.
- If a player, in the current season, has established a grading by playing (say) 4 matches in a grade and then plays 4 matches in a higher grade, his current season grading then becomes the higher grade (and he is ineligible to play in the lower grade from that point onwards).

Treasurer Ron King reported that the Association appears to have a year to date loss of \$58,300. Overall the figures do not appear to be 'too bad' considering that in total membership the loss is 4.87%. The full membership loss is 4.66%. The loss in Junior Membership is 15.26%. The first two percentages are better than the previous year but the junior figure is worse. Total membership is 54302 at October

Lyle Keats (Vice President) attended the Northmead Bowling Club for the presentation of awards resulting from the Annual NSW Teachers v their Queensland Counterparts. A very pleasant evening was had by all. The Northmead club were the perfect hosts the event was well organised and well catered for. The NSW Chalkies were very happy as it was the first time in five years they won the main trophy.

11. MATCH / GREENS COMMITTEE REPORT

Congratulations to the inaugural winners of the Mixed Pennants for 2011.

Winner of "A" Grade – The Hills

Runner-up Carlingford

Winner of "B" Grade – Castle Hill (2)

Runner-up: Cheltenham

All reports tell the Match Committee what a success the competition was. It was a Cinderella story with Cheltenham reaching the final of the "B" grade. This competition was the only one the ladies have been able to enter. Special congratulations to the club on their achievement.

Now is the time that all clubs send to the match committee comments on the Mixed Pennants so we can enhance that competition. match@zone10.org.au

an amended copy of the Zone 10 Conditions play has been sent to the State Match Committee for approval. We should have this back before Christmas.

Reminders:

Clubs are reminded that score cards, will not be provided by the Zone anymore and it is up to Clubs for them to obtain their own cards.

2012 Pennant entry forms on the web are to be sent to the Zone Match Committee before 6th January. The allocated grades will be sent back to clubs by the 10th January and the clubs have until the 17th January to reply if they have any objection to the allocation. All allocated pennant grades including will be sent the State Match Committee for Approval.

The 6th February is when clubs and the Zone Match Committee meet to discuss the 2012 competition year. Result sheets, pennant draws will be collected on that night.

As this is a last meeting of the 2011 season the match Committee would like to thank all clubs for their assistance during the year (good and bad).

I would like thank the Zone 10 Match Committee, Leighton Ball, Dennis Harmer, Jim Hiotells, Chris Wallace and Les Watkins.

I would like to thank two special guys who have over the years have given a mountain of support to the Match Committee, Jim Woods who retired in July and Leighton Ball who will retire in January. Thanks Guys could not have worked without your help.

May everyone have a happy and successful 2012.
