6. PRESIDENT'S REPORT

From all reports the majority of bowlers from the, now closed, West Epping Panthers have found or are very close, to finding new clubs at which to continue playing their bowls. To those clubs that do get any new players, please ensure all of the appropriate and necessary paperwork is completed and sent to the Bowls NSW and Zone 10 for the attention of the Match Committee.

I am delighted with the positive feedback I have personally received, with regard to the Mixed Pennants. I'm convinced it is not too early to call the concept a success, and it certainly augurs well for next year, where it would be anticipated to be bigger and better. With additional support from clubs that did not enter this year, it will certainly grow, and I would ask that those clubs seriously consider supporting the competition next year. I would suggest the only danger in participating, is that your lady and men bowlers might actually enjoy the experience and what a terrible tragedy that might be.

I would like to think all club management teams have perused the new R.N.S.W.B.A. Constitution and responded to the Royal with comment or concerns, if there were any issues. It is now getting to the stage any delays in responding with any issues or concerns will not be able to be addressed and answered, and the vote will be taken, on what every club currently before it.

Gary MacAndrew

10. STATE COUNCILLOR'S REPORT

Guildford

The RNSWA Board has decided not to allow Guildford bowling club to transfer to Zone 10 in the 2012 year.

Constitution

The new constitution will be voted on a special general meeting on the 1st December 2011

Only one club from our Zone took the time to put a letter re constitution.

I always intrigues me when members and clubs whinge about RNSWBA how takes from the clubs and gives to the elite yet when they have an opportunity to say something they have nothing to say.
