6. PRESIDENT'S REPORT

From all reports the majority of bowlers from the, now closed, West Epping Panthers have found or are very close, to finding new clubs at which to continue playing their bowls. To those clubs that do get any new players, please ensure all of the appropriate and necessary paperwork is completed and sent to the Bowls NSW and Zone 10 for the attention of the Match Committee.

I am delighted with the positive feedback I have personally received, with regard to the Mixed Pennants. I'm convinced it is not too early to call the concept a success, and it certainly augurs well for next year, where it would be anticipated to be bigger and better. With additional support from clubs that did not enter this year, it will certainly grow, and I would ask that those clubs seriously consider supporting the competition next year. I would suggest the only danger in participating, is that your lady and men bowlers might actually enjoy the experience and what a terrible tragedy that might be.

I would like to think all club management teams have perused the new R.N.S.W.B.A. Constitution and responded to the Royal with comment or concerns, if there were any issues. It is now getting to the stage any delays in responding with any issues or concerns will not be able to be addressed and answered, and the vote will be taken, on what every club currently before it.

Gary MacAndrew

10. STATE COUNCILLOR'S REPORT

Guildford

The RNSWA Board has decided not to allow Guildford bowling club to transfer to Zone 10 in the 2012 year.

Constitution

The new constitution will be voted on a special general meeting on the 1st December 2011

Only one club from our Zone took the time to put a letter re constitution.

I always intrigues me when members and clubs whinge about RNSWBA how takes from the clubs and gives to the elite yet when they have an opportunity to say something they have nothing to say.

Next Board meeting November

11. MATCH / GREENS COMMITTEE REPORT

Mixed Pennants

From All reports that I have received most clubs are happy with the program and would like it continue next year. Some people, very few we must say, have complained about the scoring. Everybody will have their time to say the pros and cons after the competition are complete.

As there are so few three green club getting smaller by the year. It is very hard to find a club we are still looking at a few.

The Semi-Final will be on the 19th November 2011 to be played at the Castle Hill Bowling Club.

The Final will be on the 26th November 2011 and is to be played at Pennant Hills Bowling Club.

Pennants.

The date for close of entries is the **6th January, 2012**. The match committee suggests that if you have any re-grading's to be done please send them now before entries close rather than after the competition starts when it will be harder to get re-grading's.

I have been to one club to explain the new rules and will be attending another club as soon as I can arrange a suitable date. There will be plenty of time for explanations and remember we will meet all clubs prior to the commencement of the competition.

If you have an influx of players which may affect your grading's please list them by name and grading also if you have lost a lot of players please list by name and grading on lodgement of entry form send. This information may help when the Match Committee send s the grades for determination by RNSWBA Match Committee.

Remember to read the conditions of play as you start to formulate the grades. Especially how grades of the players are achieved.
